working in ISO 12647
mode, and fogra 51/52

Disclaimer: The Condition of the
Machine assessment
presented in this CV was
either obtained from the
last machine operator or
is based on an
inspection performed by
our employee, just to
provide you with as
much information as
possible.
For more certainty we
recommend your own
check or an assessment
of an independent
mechanic. We cannot
provide you with any

machine guarantee.

Advantages of the Machine:

Color management and ACR camera allow minimal waste, minimum start-up time and minimises costs and prices
