Caldera computer with Linux OS
workstation with PC and monitor
Amber and rtView operating software

Condition of the Machine: very good condition,
well-maintained
still in production

Disclaimer: The Condition of the
Machine assessment
presented in this CV was
either obtained from the
last machine operator or
is based on an
inspection performed by
our employee, just to
provide you with as
much information as
possible.
For more certainty we
recommend your own
check or an assessment
of an independent
mechanic. We cannot
provide you with any
machine guarantee.
